Description of Development:					
CHECK LIST ITEMS					
☐ Completed Application			Site Plan (Location of proposed with distance to each property line)		
 The proposed fence and/or shed must be constructed on the owner's property. If the location of the proposed fence and/or shed or height of the fence and/or shed comes into question, it may result in a survey at the owner's expense and/or removal of the constructed fence and/or shed. The proposed fence and/or shed is subject to removal at the owner's expense if removal is necessary for installation and/or maintenance of public utilities in the easements. 					
Application is hereby made to obtain a permit to do the work and installation as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. I certify that all the foregoing information is accurate, the county has been advised of all easements on the property and all work will be done in compliance with all applicable laws regulating construction and zoning. I acknowledge and accept responsibility for compliance with the current Zoning regulations, and ordinances, as well as the payment of all legally constituted fees regarding this application, including but not limited to all review fees and permit fees.
